REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
BMID9738US

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed

in patent number 5,997,817, granted December 7, 1999, and for which a
reissue patent is sought on the invention ELECTROCHEMICAL BIOSENSOR TEST STRIP

the specification of which

- ☐ is attached hereto.
- ☒ was filed December 7, 2001 as reissue application number 10/008,788
and was amended _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims,
as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in
37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described
below. (Check all boxes that apply.)

- ☐ by reason of a defective specification or drawing.
- ☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening
reissue, such must be stated with an explanation as to the nature of the broadening:

The error upon which this broadening reissue application is based is that the patentee failed to appreciate that the features
of sample application port identification, sample sufficiency confirmation, and reduction of dose hesitation could be claimed
with other test strip structures in addition to the strip structures originally claimed.

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
BMID9738US

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed

in patent number 5,997,817, granted December 7, 1999, and for which a
reissue patent is sought on the invention ELECTROCHEMICAL BIOSENSOR TEST STRIP

the specification of which

☐ is attached hereto.

☒ was filed December 7, 2001 as reissue application number 10/008,788
and was amended _____
(If applicable).

I have reviewed and understand the contents of the above identified specification, including the claims,
as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in
37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described
below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening
reissue, such must be stated with an explanation as to the nature of the broadening:

The error upon which this broadening reissue application is based is that the patentee failed to appreciate that the features
of sample application port identification, sample sufficiency confirmation, and reduction of dose hesitation could be claimed
with other test strip structures in addition to the strip structures originally claimed.

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed

in patent number 5,997,817, granted December 7, 1999, and for which a

reissue patent is sought on the invention ELECTROCHEMICAL BIOSENSOR TEST STRIP

the specification of which

☐ is attached hereto.

☒ was filed December 7, 2001 as reissue application number 10/008,788
and was amended _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The error upon which this broadening reissue application is based is that the patentee failed to appreciate that the features of sample application port identification, sample sufficiency confirmation, and reduction of dose hesitation could be claimed with other test strip structures in addition to the strip structures originally claimed.
